Dear Wendy

## PROPOSAL FOR GCCF COUNCIL MEETING – 24<sup>TH</sup> JUNE 2009

At our recent Annual General Meeting, held on Sunday 19<sup>th</sup> April 2009, the members present discussed the current financial situation of GCCF, and how Affiliated Clubs might help to safeguard the future of GCCF by generating various income generating ideas. It was clear from discussions that our members were more than willing to help by whatever means necessary and some of our 'older' members remembered loans being granted by Clubs to Council in the past, for example for the purchase of the AS400 computer equipment. With this in mind, we would like the following proposal placed on the Agenda for the next Council meeting on Wednesday 24<sup>th</sup> June 2009:

"The Yorkshire County Cat Club, being concerned at the current financial situation which GCCF is facing, propose that Affiliated Clubs consider making an interest free loan to Council, which should be repayable within five years. We feel that this course of action would help safeguard the future of GCCF"

I would appreciate an email to confirm receipt.

Many thanks,  
Yours sincerely

*Elaine Culf.*
